A.—Sri KADIDAL MANJAPPA (Minister for Revenue).—

(a) The ryots in the submerged area are proposed to be given all the Government and Forest lands coming under irrigation under Bhadra Reservoir Right Bank Channel. Details regarding villages and survey numbers cannot be furnished as the excavation of the channels and distributaries has not been completed and the final atchkat list is not yet ready.

(b) All the survey numbers with an extent of 50 acres and below have been released for the local landless ryots. A list of such lands is under preparation. Apart from these extents, 2,768 acres have also been released for the local ryots.

(c) This is not possible as these lands are required for grant to expropriated ryots.
